

KOCOM DOORPHONE RANGE

Home communication made simple

KOCOM®

KOCOM KCV-D372 Colour LCD Monitor

The Kocom range of hands-free intercoms offer style and simplicity. The ability to see and speak to visitors before opening the door brings a new level of security and convenience to your home.

Larger than life, the Kocom 7" hands-free intercom will compliment your homes décor with its stylish and functional outlook. Viewing and speaking to visitors before opening the door will provide a new level of security, comfort and convenience to your home. Utilising the latest in technology, the Kocom 7" hands-free intercom delivers a crystal clear image and voice quality, and optionally opens the door.
